January 2017

President's Message By Tom Telford

HELLO AND HAPPY HOLIDAYS TO ALL!

I would hope that everyone had a safe and enjoyable holiday period!

Thanks to, Chris Collins, for his presentation at the December meeting. His topic was "Buying and Selling on Ebay". The session was very informative and to many, their first exposure on how to navigate this feature.

Please remember that the dues amount for all those who did not pay their dues prior to January the 1st, 2017 will be \$20.00. All new family memberships are \$20.00 for the first year and \$15.00 thereafter, if paid prior to the end of the calendar year.

We are currently considering a follow-up "workshop" on Excel sometime in the latter part of January.

Those who attended the November session were given a spreadsheet to practice on and we would like those individuals to save their questions and problems in using that spreadsheet, for use in the next review of Excel. Remember these tutorials require that attendees have Office software on their fully charged laptops at meeting time. We will advise the membership of our plan at the next meeting.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.

HAPPY NEW YEAR!
