March 2017

## President's Message By Tom Telford

HELLO TO ALL,

Thanks to TLCUG Program Director, Chris Collins for our February program concerning "Internet Security". The presentation file was emailed to the membership for individual, home review.

The donation of three computers to Kindness Inc., which was approved by the membership last month, is still in process. They have been notified of the approval and are most appreciative of the pending donation.

Unfortunately I had to cancel the Excel workshop on February 10th due to illness. We will reschedule that session at a later date.

All members should be aware that TLCUG has Microsoft Office 2013 available for purchase at a member's only price, for addition or as an update to your existing computers.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.
