September 2016

## President's Message By Tom Telford

HELLO TO EACH AND EVERY MEMBER

Thanks to Chris Collins for last month's program presentation on Reliable Internet Sources of Information. The program slides were sent out to the membership via email for review. Reviewing the program is good, but being there for the presentation is even better,

The "hands on" workshop held on August 16th, was again very worthwhile, with many exercises demonstrated on the screen, allowing the attendees to follow along on their own laptops. A significant amount of time was dedicated to CCleaner and MalwareBytes system protective software. We are going to tentatively schedule a workshop every month from now until the end of the year, as long as we continue to have the interest exhibited to this point. We will present overviews on various software and would like members to bring any problem they are having to the session and we will attempt to show all how to navigate their way through the issues. There will be a sign-up sheet at the September 1st meeting for the next session to be held on September 9th at 10:30 AM. Attendees should bring their fully charged laptops with them at that time, to our normal Library meeting room.

Please remember that the Nominating Committee is seeking candidates for next year's officer positions. Members may contact any Board member if interested helping support the Group going forward. We will review the list of candidates at the October meeting, asking for nominations from the floor and complete the election at the November meeting.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.

Respectfully submitted,

Tom

---

## **Program Schedule**

**September 2016: Open**

**October 2016: Open**

TLCUG meets on the 1st Thursday of each month at 2 P.M. at the Donald W. Reynolds Library at 300 Library Hill, located on Highway 201 South in Mountain Home, across from the ASUMH campus. The Help Desk will open around 1:00 p.m. Guests and visitors are welcome to attend.

---

## **August General Meeting Minutes By Sue Seils, TLCUG Secretary**

1) CALL TO ORDER:

The group meeting began at 2:00 PM.

2) ATTENDANCE:

Total attendance was 50 people, including one new member and three guests.

3) ANNOUNCEMENTS:

President Tom welcomed the members and gave the Treasurer's report to the membership.

Tom talked about the July 8<sup>th</sup> Workshop. The attendees seemed to really appreciate the class and learned more about CCleaner. The Board decided to do a monthly class, with the next one scheduled for Tuesday, August 16 from 10am to 1pm. Participants are encouraged to bring a fully charged laptop.

The Standing Rules suggest that we appoint a nominating committee to look for candidates for the Board. Two members have agreed to be on the committee: Barb Koennecke and Sue Seils.

Tom then introduced our speaker for the meeting.

4) PROGRAM:

Today's program was given by Chris Collins, TLCUG Program Director. His topic was "Reliable Sources for Information." Chris shared several sites that will help us grow in our knowledge of basic computer skills and to learn computer terminology. These were all free sites that will help us keep up with the evolving technology. His program slides will be available for the membership.

Chris also spoke about the coming Windows 10 anniversary update starting August 2<sup>nd</sup> and the every Tuesday updates. Additional questions about this and other topics were also discussed.

5) ANNOUNCEMENT:

President Tom reminded the membership to sign up for the August 16 Hands-on Workshop.

6) DRAWINGS:

The winner of the monthly drawing for a special prize, an Amazon TV Fire Stick, was Allan Daugherty. Chris Collins volunteered to help install it.

7) ADJOURNMENT:

The meeting adjourned at 3:00 PM.
