## **President's Message By Tom Telford**

HELLO TO EACH AND EVERY MEMBER

Thanks to Kip Benson for his presentation on "Flickr", there were many questions and discussions with the group.

Due to the increased time demands of his business, Chris Collins has asked that we pursue a replacement for his TLCUG Program Directorship position. We would therefore request that someone within the group step up and volunteer for this position.

If anyone has suggestions for meeting speakers and/or topics, please pass these on to a Board member.

I continue to ask that members using the help desk be considerate of others by limiting the amount of time they spend in this venue, at any given time. We have had numerous complaints about members spending an inordinate amount of time at the desks, thereby, precluding others from the benefit.

We will attempt to provide help outside of this setting if anyone needs extra help.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.

Respectfully submitted,

Tom
