President's Message By Tom Telford

HELLO TO EACH AND EVERY MEMBER

Thanks to Kip Benson for his September presentation on "Flickr 2: The Sequel". There were many questions and discussions with the group and an actual Flickr account was set up and is currently functioning at FLICKR.COM. There is a log in button in the upper right corner of that screen. The log in information is only transmitted verbally at meetings, as it is imperative that we keep the ID and password within the membership. Please don't pass this information on to anyone including friends and relatives, as editing of content can be accomplished by anyone who has access to the site and could necessitate shut down of the site if we lose control. Members should only edit pictures which they have posted.

Due to the increased time demands of his business, Chris Collins has asked that we pursue a replacement for his TLCUG Program Directorship position. We continue to request that someone within the group step up and volunteer for this position.

If anyone has suggestions for meeting speakers and/or topics, please pass these on to a Board member.

I continue to ask that members using the help desk be considerate of others by limiting the amount of time they spend in this venue, at any given time. We have had numerous complaints about members spending an inordinate amount of time at the desks, thereby, precluding others from the benefit.

We will attempt to provide help outside of this setting if anyone needs extra help.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.

Respectfully submitted,

Tom

Program Schedule

October 2017: Hart Rowland presenting

"The advantages and disadvantages of downloaded Freeware"

November 2017: Open

TLCUG meets on the 1st Thursday of each month at 2 P.M. at the Donald W. Reynolds Library at 300 Library Hill, located on Highway 201 South in Mountain Home, across from the ASUMH campus. The Help Desk will open around 1:00 p.m. Guests and visitors are welcome to attend.

September General Meeting Minutes By Sue Seils, TLCUG Secretary

1) CALL TO ORDER:

The group meeting began at 2:00 PM.

2) ATTENDANCE:

Total attendance was 28 people, with no guests or new members.

3) ANNOUNCEMENTS:

President Tom welcomed the members and gave the treasurer's report.

Tom reminded the membership that we are looking for officers for the 2018 year. Barb K. has agreed to chair the nominating committee and she would like others to help. Officers are to be nominated in October and elected in November.

Tom also mentioned that Chris's job is keeping him too busy to continue as Program Director. This is an appointed position on the Board. The Board does much to help the Program Director, so the job is not difficult. The Board is looking for someone to volunteer for this position.

Tom spoke about an e-mail scam received by a member. He urged members not to open, but delete these types of e-mail, and to never open attachments. Watching the address on the e-mail is a good clue to a scam. He encouraged the use of CCleaner and Malwarebytes.

Tom introduced our speakers for today's meeting.

4) PROGRAM:

Today's program was given by the Kip Benson and Tom Telford. Their topic was "Flickr 2: the sequel". Flickr is a free photo management and sharing site. They demonstrated the setting up process and established a site for TLCUG. Photos can be added, organized, and viewed by the membership. The other option for Flickr is a paid version, which is controlled by an administrator. Those who can see the photos are invited by the administrator. TLCUG will continue to evaluate the use of this site with our members.

5) ANNOUNCEMENTS:

One of our members mentioned a site for learning more about Arkansas.

6) DRAWINGS:

The winner of the monthly drawing for a certificate to the Bookworms Café was Barb P..

7) ADJOURNMENT:

The meeting adjourned at 3:00 PM.
